

7th March 2018

Dear Wildfowling Club Representative

Meeting between BASC and BASC affiliated wildfowling clubs on 21st April 2018 to discuss

**Natural England's proposals following the
"Wildfowling Guidance Review" Consultation**

Due to adverse weather conditions the 3rd March Wildfowling Conference was cancelled. A decision has now been made not to rearrange the conference for 2018. Presentations that were due to be made will be made available on the wildfowling section of the BASC website. There is also guidance on the website on how to submit duck wings.

The publication by Natural England of their proposals following the "Wildfowling Guidance Review" Consultation is imminent. BASC would welcome the opportunity of discussing NE's proposals with wildfowling clubs ahead of a NE meeting in London towards the end of April.

Representatives from wildfowling club's are therefore invited to a meeting on Saturday 21st April 2018 at Ramada Hotel, Penns Lane, Sutton Coldfield, B76 1LH.

If you are intending to attend the 21st April meeting please complete and return the enclosed reply slip.

Yours sincerely

**John Dryden
Chairman of BASC's Wildfowling Liaison Committee
BASC Council Member**

Reply Slip – To be returned by 12 noon on Friday 13th April
